## Value Word - Bi-annual survey

This bi-annual survey helps us measure how well our goals and values are understood across ICAN. The employee's perspective is essential – it guides our decisions, strengthens our culture, and ensures we're moving forward with shared purpose.

## SATURDAY OUTINGS

River's, Rail's & Trail's Museum in Booneville was a great success! Exploring the tugboat, train car, and log cabin in the museum were a big hit! Everyone enjoyed the hiking on the trails, and the pit stop at McDonald's.

These incredible ladies have completed four workshops and shown impressive coaching competency. They bring these skills to life every day in their work, and it shows. Thank you for your hard work, growth, and leadership.

## “Stronger Together: Community Life in Action”

Community Kitchen is a great opportunity to serve others be helping to provide a good meal with good company!

Day Program will occasionally make baked goods for members of our community. We recently took cookies to the Police and Fire station. We hope they enjoyed the baked goods!

You might see us around town, building life skills while enjoying and connecting with our community. The couches are comfortable at ART'S!

We love getting to help with Meals on Wheels! It is very rewarding to provide a service to someone else. We hope to brighten their day with smiles as well as food.
